SESAME HALVA

DANUBE SESAME HALVA is made from 100% tahini so from crushed sesame, based on the old Greek recipe that combines natural ingredients and the traditional methods of making.

It is an incredibly nutritional, rich product in protein and calcium and especially demanding during the fasting season.

DANUBE SESAME HALVA is very different from any other kinds of halva, it is distinguished with rich taste and high nutritional value.

Is the best dessert and goes well with coffee and ice cream. Available in vanilla and cocoa aroma.
