EXTRA VIRGIN OLIVE OIL

OILIVIA is a Greek production extra virgin olive oil, characterized by rich taste and unique aroma. Extra virgin olive oil is rich in fatty acids and keeps all the benefits.

It can be used in cold and hot dishes.

80 % of Greek production olive oil is cold pressure and is distinguished with high quality, which is the result of: the Greek climate, soil and varieties of olive trees.

Olive oil is used all over the world and is associated with Mediterranean cuisine and cooking.
